shall be executed by or bear the approval of Declarant and shall, among other things, describe the real property to be annexed; establish land classifications for the Additional Property; establish any additional limitations, uses, restrictions, covenants and conditions that are intended to be applicable to such Additional Property; and declare that such property is held and shall be held, conveyed, hypothecated, encumbered, used, occupied and improved subject to this Declaration.

Article 3

3.2 Conversion of Lots to Common Areas. Declarant may elect to build common facilities on one or more Lots and designate such Lots as Common Areas by a declaration recorded in the deed records of Marion County, Oregon. Such declaration shall be executed by Declarant as Owner of the Lots.

Article 4

Property Rights in Common Areas

4.1 Owners' Easements of Enjoyment. Subject to provisions of this Article, every Owner and his or her invitees shall have a right and easement of enjoyment in and to the Common Areas, which easement shall be appurtenant to and shall pass with the title to every Lot.

4.2 Title to Common Areas. Title to the Common Areas shall be conveyed to the Association by Declarant, free and clear of monetary liens, on or before the Turnover Meeting.

4.3 Extent of Owners' Rights. The rights and easements of enjoyment in the Common Areas created hereby shall be subject to the following and to all other provisions of this Declaration:

(a) **Association Easements.** Declarant grants to the Association for the benefit of the Association and all Owners of Lots within the Property the following easements over, under and upon the Common Areas:

(i) An easement for underground installation and maintenance of power, gas, electric, water and other utility and communication lines and services installed by Declarant or with the approval of the Board of Directors of the Association and any such easement shown on any plat of the Property.

(iii) An easement for the purpose of making repairs to any existing structures on Common Areas.

(b) **Public and Utility Easements.** Declarant or the Association may (and, to the extent required by law, shall) grant or assign such easements to municipalities or other utilities performing utility services and to communication companies, and the Association may grant free access thereon to police, fire and other public officials and to employees of utility companies and communications companies serving the Property.

(c) **Use of the Common Areas.** The Common Areas shall not be partitioned or otherwise divided into parcels for residential use, and no private structure of any type shall be constructed on the Common Areas. Except as otherwise provided in this Declaration, the Common Areas shall be reserved for the use and enjoyment of all Owners and no private use may be made of the Common Areas. Nothing herein shall prevent the placing of a sign or signs upon the Common Areas identifying the Property or identifying pathways or items of interest, signs restricting certain uses or warning signs, provided that such signs are approved by the Architectural Review Committee. The Board of Directors shall have authority to abate any trespass or encroachment upon the Common Areas at any time, by any reasonable means and with or without having to bring legal proceedings. A declaration annexing Additional Property may provide that the Owners of such Additional Property do not have the right to use a particular Common Area or facility located on such Common Area. In such case, those Owners will not be required to share in the costs of maintaining the facility, as is more particularly described in Section 10.9.

(d) **Alienation of the Common Areas.** The Association may not by act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Common Areas owned directly or indirectly by the Association for the benefit of the Lots unless the holders of at least eighty percent (80%) of the Class A Association voting rights and the Class B member (as defined in Section 8.3 below), if any, have given their prior written approval and unless approved by the City of Woodburn. The Association shall first offer to dedicate such property to the City of Woodburn. This provision shall not apply to the easements described in Section 4.3(a) above. The Association, upon approval in writing of at least two-thirds of the Class A Association voting rights and the Class B member, if any, and if approved by order or resolution of the City of Woodburn, may dedicate or convey any portion of the Common Areas to a park district or other public body.

(e) **Limitations on Use.** Use of the Common Areas by the Owners shall be subject to the provisions of this Declaration and to the following:

(i) The right of the Association to suspend such use rights of an Owner to the extent provided in Article 11 below.

(ii) The right of the Association to adopt, amend and repeal rules and regulations in accordance with this Declaration.

4.4 **Delegation of Use.** Any Owner may delegate, in accordance with the Bylaws of the Association, his or her right of enjoyment of the Common Areas to family members, tenants, invitees and guests, whose use shall be subject to this Declaration and the Rules and Regulations adopted under this Declaration.

4.5 **Easements Reserved by Declarant.** So long as Declarant owns any Lot, Declarant reserves an easement over, under and across the Common Areas to carry out sales and rental activities necessary or convenient for the sale or rental of Lots. In addition, Declarant hereby reserves to itself and for the Owners of Lots in all future phases of the Property a perpetual easement and right-of-way for access over, upon and across the Common Areas for construction, utilities, communication lines, drainage, and ingress and egress for the benefit of other property owned by Declarant and future phases of the Property. Declarant, for itself and its successors and assigns, hereby retains a right and easement of ingress and egress over, in, upon, under and across the Common Areas and the right to store materials thereon and to make such other use thereof as may be reasonably necessary or incident to the construction of the Improvements on the Property or other real property owned by Declarant; provided, however, that no such rights shall be exercised by Declarant in such a way as to unreasonably interfere with the occupancy of, use of, enjoyment of or access to an Owner's Lot by that Owner or his or her family, tenants, employees, guests or invitees.

Article 5

Property Rights In Lots

5.1 **Use and Occupancy.** The Owner of a Lot in the Property shall be entitled to the exclusive use and benefit of such Lot, except as otherwise expressly provided in this Declaration, but the Lot shall be bound by and each Owner and Declarant shall comply with the restrictions contained in Article 6 below, all other provisions of this Declaration and the provisions of any supplement or amendment to this Declaration.

5.2 **Easements Reserved.** In addition to any utility and drainage easements shown on any recorded plat, Declarant hereby reserves the following easements for the benefit of Declarant and the Association:

(a) **Common Maintenance Areas.** The Owner of each Lot shall permit the Association to enter upon the Lot to perform the maintenance of Common Maintenance Areas. The Owner and occupant of each Lot shall be responsible for controlling such Owner's or

occupant's pets so as to not harm or otherwise disturb persons performing such maintenance on behalf of the Association.

(b) **Right of Entry.** Declarant, the Architectural Review Committee and any representative of the Association authorized by it may at any reasonable time, and from time to time at reasonable intervals, enter upon any Lot for the purpose of determining whether or not the use and/or Improvements of such Lot are then in compliance with this Declaration. No such entry shall be deemed to constitute a trespass or otherwise create any right of action in the Owner of such Lot.

(c) **Utility Easements.** Easements for installation and maintenance of utilities and drainage facilities may be reserved over portions of certain Lots, as shown on any recorded plat. Within the easements, the Architectural Review Committee will not permit any structure, planting or other material to be placed or permitted to remain on the easement area if such structure, planting, or other material may damage or interfere with the installation or maintenance of utilities, change the direction of flow of drainage channels in the easements, or obstruct or retard the flow of water through drainage channels in the easements. The easement area of each Lot and all Improvements in it shall be maintained continuously by the Owner of the Lot, except for those Improvements for which a public authority or utility company is responsible, and except Common Maintenance Areas, which will be maintained by the Association.

Article 6

General Use Restrictions

6.1 **Structures Permitted.** No structures shall be erected or permitted to remain on any Lot except structures containing a single detached Living Unit and structures normally accessory thereto, all of which shall have first been approved by the Architectural Review Committee pursuant to Article 7 below. Such provision shall not exclude construction of a private greenhouse, storage unit, private swimming pool or structure for the storage of a boat and/or camping trailer for personal use, provided that the location of such structure is in conformity with the applicable regulations of the City of Woodburn is compatible in design and decoration with the dwelling structure constructed on such Lot, and has been approved by the Architectural Review Committee.

6.2 **Residential Use.** Lots shall only be used for residential purposes. Except with the consent of the Board of Directors, no trade, craft, business, profession, commercial or similar activity of any kind shall be conducted on any Lot, nor shall any goods, equipment, vehicles, materials or supplies used in connection with any trade, service or business be kept or stored on any such Lot. The mere parking on a Lot of a vehicle bearing the name of a business shall not, in itself, constitute a violation of this provision. Nothing in this paragraph shall be deemed to prohibit (a) activities relating to the rental or sale of Living Units; (b) the right of Declarant or any contractor or home builder to construct Living Units on any Lot, to store construction materials and equipment on such Lots in the normal course of construction, and to use any Living Unit as a sales or rental office or model home for purposes of sales or rental in Renaissance at the Links; and (c) the right of the Owner of a Lot to maintain his or her

professional personal library, keep his or her personal business or professional records or accounts, handle his or her personal business or professional telephone calls or confer with business or professional associates, clients or customers, in his or her Living Unit by appointment only. The Board of Directors shall not approve commercial activities otherwise prohibited by this paragraph unless the Board of Directors determines that only normal residential activities would be observable outside of the Living Unit and that the activities would not be in violation of applicable law.

6.3 **Offensive or Unlawful Activities.** No noxious or offensive activities shall be carried out upon the Property, nor shall anything be done or placed on the Property that interferes with or jeopardizes the enjoyment of the Property, or that is a source of annoyance to Owners or occupants. No unlawful use shall be made of the Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction over the Property shall be observed.

6.4 **Animals.** No animals, livestock or poultry of any kind shall be raised, bred or kept or permitted within any Lot other than a reasonable number of household pets that are not kept, bred or raised for commercial purposes and that are reasonably controlled so as not to be a nuisance. Any inconvenience, damage or unpleasantness caused by such pets shall be the responsibility of their respective Owners. No animal shall be permitted to roam the Property unattended, and each dog shall be kept on a leash while outside a Lot. Dog runs and doghouses shall be fully screened or fenced from view from any Lot, and shall not be visible from the street. All animals shall be controlled so as not to be a nuisance to any Owner. Any unrestrained or barking dog shall constitute a nuisance. An Owner or occupant will be required to remove a pet upon receipt of the third written notice from the Board of Directors of violations of any rule, regulation or restriction governing pets within the Property.

6.5 **Maintenance of Living Units.** Each Owner shall maintain the Owner's Living Unit in a clean and attractive condition, in good repair and in such fashion as not to create a fire or other hazard. Such maintenance shall include, without limitation, exterior painting, repair, replacement and care for roofs, gutters, downspouts, exterior building surfaces and glass surfaces. All repainting or restaining, any change in type of roof or roof color and any exterior remodeling or changes shall be subject to prior review and approval by the Architectural Review Committee. Damage caused by fire, flood, storm, earthquake, riot, vandalism, or other causes shall likewise be the responsibility of each Owner and shall be restored within a reasonable period of time.

6.6 **Maintenance of Landscape.** The Association will permanently maintain the landscaped areas (i) within the public rights of way in the Public Areas; (ii) within the yards of all Lots; and (iii) within any Common Areas.

6.7 **Parking.** Except as may otherwise be provided in the Rules and Regulations of the Association, overnight parking of boats, trailers, motorcycles, commercial vehicles, mobile homes, campers or other recreational vehicles or equipment, regardless of weight, and overnight parking of any other vehicles with a gross vehicle weight in excess of 9,000 pounds shall not be allowed on any part of the Property or on public streets within the Property, excepting only within areas designated for such purposes by the Board of Directors or within the confines of an

enclosed garage or screened area, the plans of which shall have been reviewed and approved by the Architectural Review Committee before construction, and which must be constructed behind the front building line of the dwelling. No portion of the vehicle may project beyond the screened area. If there is no rear fencing and the vehicle could be seen from the outside the Lot other than from the front road, the vehicle must also be screened from view from that direction. Vehicles may not be used for storage of materials for more than forty-eight (48) hours without approval from the Architectural Review Committee. Any vehicle parked in violation of this section can be towed or impounded as provided in Section 11.1(c) below.

6.8 **Vehicles in Disrepair.** No Owner shall permit any vehicle that is in an extreme state of disrepair to be abandoned or to remain parked on the Owner's Lot (unless screened from view) or on the Common Area or any street for a period in excess of forty-eight (48) hours. A vehicle shall be deemed in an "extreme state of disrepair" when the Board of Directors reasonably determines that its presence offends the occupants of the area due to its appearance or continued inoperability. Should any Owner fail to remove such vehicle within five (5) days following the date on which notice is mailed to him or her by the Association, the Association may have the vehicle removed from the Property and charge the expense of such removal to the Owner. Any vehicle parked in violation of this section can be towed or impounded as provided in Section 11.1(c) below.

6.9 **Signs.** No signs shall be erected or maintained on any Lot except that not more than one "For Sale" or "For Rent" sign placed by the Owner, Declarant, or a licensed real estate agent, not exceeding twenty-four (24) inches high and thirty-six (36) inches long, may be temporarily displayed on any Lot, and two such signs may be placed on a Lot during the course of initial construction of a dwelling on such Lot. The restrictions contained in this paragraph shall not prohibit the temporary placement of "political" signs on any Lot by the Owner, subject to reasonable regulations adopted by the Architectural Review Committee relating to size and length of display.

6.10 **Rubbish and Trash.** No part of the Property shall be used as a dumping ground for trash or rubbish of any kind. All garbage and other waste shall be kept in appropriate sanitary containers for proper disposal and out of public view, except during garbage pickup days. Yard rakings, dirt and other material resulting from landscaping work shall not be dumped onto Lots, streets or Common Areas. Should any Owner or occupant responsible for its generation fail to remove any trash, rubbish, garbage, yard rakings or any other such materials from any streets or the Property where deposited by such person within ten (10) days following the date on which notice is mailed to the Owner or occupant by the Board of Directors, the Association may have such materials removed and charge the expense of such removal to the Owner.

6.11 **Construction.** The construction of any building on any Lot, including painting and all exterior finish, shall be completed within eight (8) months from the beginning of construction so as to present a finished appearance when viewed from any angle. In the event of undue hardship due to strikes, fires, national emergency or natural calamities, this provision may be extended for a reasonable length of time upon approval from the Architectural Review Committee. The building area shall be kept reasonably clean and in workmanlike order, free of litter, during the construction period with a garbage can or other garbage disposal facility on the

site during such period. Debris may not be deposited on any other Lot. All construction debris, stumps, trees, etc. must be periodically removed from each Lot by the builder or Owner, and such debris shall not be dumped in any area within the Property unless approved by the Architectural Review Committee. If construction has not commenced upon any Lot within one (1) year after acquisition thereof by the Owner, the Owner shall install the sidewalk and landscape the area within twenty (20) feet from the curb. The Owner shall irrigate and maintain this area. The Architectural Review Committee may waive this requirement if it determines that construction will commence within a reasonable time. In any case, all unimproved or unoccupied Lots shall be kept in a neat and orderly condition, free of brush, vines, weeds and other debris, and grass thereon shall be cut or mowed at sufficient intervals to prevent creation of a nuisance or fire hazard.

6.12 **Landscape.** All landscaping (including front and rear yards and parking strips) shall be completed within six (6) months from the date of occupancy of the Living Unit constructed thereon. In the event of undue hardship due to weather conditions, this provision may be extended for a reasonable length of time upon approval of the Architectural Review Committee. Landscaping must include at least grass and bark dust. Landscape plans shall be submitted to the Architectural Review Committee for approval. Landscaping may not be changed without the approval of the Architectural Review Committee.

6.13 **Temporary Structures.** No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuildings shall be used on any Lot at any time as a residence either temporarily or permanently.

6.14 **Fences, Hedges and Walls.** No fence, hedge, structure, wall, or retaining wall shall be constructed or exist anywhere on any Lot without prior approval of the Architectural Review Committee. No planting or structure obstructing vision at driveways or intersections shall be permissible or maintained. Installation and maintenance of retaining walls that are required and approved by the Architectural Review Committee due to topographic conditions of individual Lots are the sole and absolute responsibility of the individual Lot Owner and are to be aesthetically incorporated into the landscaping of the Lot and are not the responsibility of the Association.

6.15 **Service Facilities.** Service facilities (garbage containers, fuel tanks, clotheslines, etc.) shall be screened such that the elements screened are not visible at any time from the street or a neighboring property. All telephone, power, natural gas, cable television and other communication lines shall be placed underground, except as otherwise mandated by local jurisdictions or public utility companies.

6.16 **Antennas and Satellite Dishes.** Exterior antennas, satellite receiver and transmission dishes and other communication devices shall not be permitted to be placed upon any Lot except in accordance with rules established by the Architectural Review Committee in accordance with Section 7.3.

6.17 **Exterior Lighting or Noisemaking Devices.** Except with the consent of the Architectural Review Committee, no exterior lighting or noisemaking devices shall be installed or maintained on any Lot, other than as originally installed by the builder of the home and

security and fire alarms. Seasonal holiday lighting and decorations are permissible if consistent with any applicable rules and regulations and if removed within thirty (30) days after the celebrated holiday.

6.18 **Pest Control.** No Owner shall permit any thing or condition to exist upon any portion of the Property that will induce, breed or harbor infectious plant or animal diseases or noxious insects or vermin.

6.19 **Setback, Maximum Height and Minimum Yard Requirements.** Each Lot shall be subject to the setback, maximum height and minimum yard requirements set by the City of Woodburn, which may be modified by an approved variance by the City of Woodburn, and by the prior approval of the Architectural Review Committee. No Lot may be subdivided or partitioned, nor may its Lot lines be adjusted, without the approval of the City of Woodburn and the Architectural Review Committee.

6.20 **Grades, Slopes and Drainage.** Each Owner of a Lot shall accept the burden of, and shall not in any manner alter, modify or interfere with, the established drainage pattern and grades, slopes and courses related thereto over any Lot or Common Area without the prior approval of the Architectural Review Committee, and then only to the extent and in the manner specifically approved. No structure, plantings or other materials shall be placed or permitted to remain on or within any grades, slopes, or courses, nor shall any other activities be undertaken that may damage or interfere with established slope ratios, create erosion or sliding problems, or obstruct, change the direction of, or retard the flow of water through drainage channels.

6.21 **Garages.** Garages shall be used primarily for parking of vehicles, and only secondarily for storage.

6.22 **Windows, Decks, Porches and Outside Walls.** To preserve the attractive appearance of the Property, the Association may regulate the nature of items that may be placed in or on windows, decks, porches, and the outside walls so as to be visible from the Common Areas. Garments, rugs, laundry and other similar items may not be hung from windows, facades, porches, or decks.

6.23 **Leasing and Rental of Living Units.** No Owner may lease or rent his or her Living Unit for a period of less than thirty (30) days. All leases or rentals shall be by written lease agreement, which shall provide that the terms of the lease shall be subject in all respects to the provisions of this Declaration and the Rules and Regulations, Articles of Incorporation and Bylaws of the Association, and that any failure by the lessee or tenant to comply with the terms of such documents shall be a default under the lease. If the Board of Directors finds that a lessee or tenant has violated any provision of such documents or the Rules and Regulations, the Board may require the Owner to terminate such lease or rental agreement. Other than the foregoing, there is no restriction on the right of any Owner to lease or rent his Living Unit.

6.24 **Rules and Regulations.** In addition, the Association from time to time may adopt, modify or revoke such nondiscriminatory Rules and Regulations governing the conduct of persons and the operation and use of the Property as it may deem necessary or appropriate to ensure the peaceful and orderly use and enjoyment of the Property. A copy of the Rules and

Regulations, upon adoption, and a copy of each amendment, modification or revocation thereof, shall be delivered by the Board of Directors promptly to each Owner. The Rules and Regulations may be adopted by the Board of Directors, except as may be otherwise provided in the Bylaws of the Association.

6.25 **Tukwila Planned Community.** The Property is subject to the Declaration of Covenants, Conditions and Restrictions of Tukwila Planned Community dated October 27, 1992, and recorded October 28, 1992 in Reel 1001 of the Records of Marion County at Page 90. Each Owner shall comply with the provisions of such Declaration, be a member of the Tukwila Homeowner's Association, Inc., and pay assessments to such association as required by such Declaration.

Article 7

Architectural Review Committee

7.1 **Architectural Review.** No Improvement shall be commenced, erected, placed or altered on any Lot until the construction plans and specifications showing the nature, shape, heights, materials, colors and proposed location of the Improvement have been submitted to and approved in writing by the Architectural Review Committee, except that Declarant shall not be required to obtain such approval for Improvements commenced, erected, placed or altered by Declarant. The building plans to be submitted shall consist of one complete set of plans and specifications in the usual form showing insofar as appropriate, (i) the size and dimensions of the Improvements, (ii) the exterior design; (iii) approximate exterior color scheme; (iv) location of Improvements on the Lot, including setbacks, driveway and parking areas; and (v) location of existing trees to be removed. These plans and specifications shall be left with the Committee until sixty (60) days after notice of completion has been received by the Committee. This is for the purpose of determining whether, after inspection by the Committee, the Improvement complies substantially with the plans and specifications that were submitted and approved. The Architectural Review Committee is not responsible for determining compliance with structural and building codes, solar ordinances, zoning codes or any other governmental regulations, all of which are the responsibility of the applicant. The procedure and specific requirements for review and approval of construction may be set forth in Design Guidelines adopted from time to time by the Architectural Review Committee. The Committee may charge a reasonable fee to cover the cost of processing an application. In all cases in which the Architectural Review Committee's consent is required by this Declaration, the provisions of this Article shall apply, except that this Article shall not apply to construction by Declarant.

7.2 **Committee Decision.** The Architectural Review Committee shall render its decision with respect to a construction proposal within thirty (30) working days after it has received all material required by it with respect to the application. In the event the Committee fails to render its approval or disapproval within forty-five (45) working days after the Committee has received all material required by it with respect to the proposal, or if no suit to enforce this Declaration has been commenced within one year after completion thereof, approval

will not be required and the related provisions of this Declaration shall be deemed to have been fully complied with.

7.3 **Committee Discretion.** The Architectural Review Committee may, at its sole discretion, withhold consent to any proposed work if the Committee finds the proposed work would be inappropriate for the particular Lot or incompatible with the Design Guidelines or design standards that the Committee intends for Renaissance at the Links. It is the intent and purpose of this Declaration to ensure quality of workmanship and materials, to ensure harmony of external design with the existing Improvements and with respect to topography and finished grade elevations and to ensure compliance with the setback requirements contained in the conditions of approval of the City of Woodburn. Considerations such as siting, shape, size, color, design, materials, height, solar access, screening, impairment of the view from other Lots, or other effect on the enjoyment of other Lots or the Common Area, disturbance of existing terrain and vegetation, and any other factors that the Committee reasonably believes to be relevant may be taken into account by the Committee in determining whether or not to consent to any proposed work. Regulations on siting of television antennas and satellite receiving dishes shall be in conformance with any applicable Federal Communications Commission rules.

7.4 **Membership: Appointment and Removal.** The Architectural Review Committee shall consist of as many persons, but not less than two, as Declarant may from time to time appoint. Declarant may, at its discretion, remove any member of the Committee from office at any time and may appoint new or additional members at any time. The Association shall keep on file at its principal office a list of the names and addresses of the members of the Committee. Declarant may at any time delegate to the Board of Directors of the Association the right to appoint or remove members of the Architectural Review Committee. In such event, or in the event Declarant fails to appoint an Architectural Review Committee, the Board of Directors shall assume responsibility for appointment and removal of members of the Architectural Review Committee, or, if it fails to do so, the Board of Directors shall serve as the Architectural Review Committee.

7.5 **Majority Action.** Except as otherwise provided in this Declaration, a majority of the members of the Architectural Review Committee shall have the power to act on behalf of the Committee, without the necessity of a meeting and without the necessity of consulting the remaining members of the Committee. The Committee may render its decision only by written instrument setting forth the action taken by the consenting members.

7.6 **Liability.** Neither the Architectural Review Committee nor any member thereof shall be liable to any Owner, occupant, builder or developer for any damage, loss or prejudice suffered or claimed on account of any action or failure to act of the Committee or a member of the Committee, and the Association shall indemnify the Committee and its members therefrom, provided only that the member has, in accordance with the actual knowledge possessed by him or her, acted in good faith.

7.7 **Nonwaiver.** Consent by the Architectural Review Committee to any matter proposed to it or within its jurisdiction shall not be deemed to constitute a precedent or waiver impairing its right to withhold approval as to any similar matter thereafter proposed or submitted to it for consent.

7.8 **Appeal.** At any time after Declarant has delegated appointment of the members of the Architectural Review Committee to the Board of Directors pursuant to Section 7.4, any Owner adversely affected by action of the Architectural Review Committee may appeal such action to the Board of Directors. Appeals shall be made in writing within ten (10) days of the Committee's action and shall contain specific objections or mitigating circumstances justifying the appeal. A final, conclusive decision shall be made by the Board of Directors within fifteen (15) working days after receipt of such notification.

7.9 **Effective Period of Consent.** The Architectural Review Committee's consent to any proposed work shall automatically be revoked one year after issuance unless construction of the work has been substantially commenced in the judgment of the Architectural Review Committee and thereafter diligently pursued, or unless the Owner has applied for and received an extension of time from the Committee.

7.10 **Estoppel Certificate.** Within fifteen (15) working days after written request is delivered to the Architectural Review Committee by any Owner, and upon payment to the Committee of a reasonable fee fixed by the Committee to cover costs, the Committee shall provide such Owner with an estoppel certificate executed by a member of the Committee and acknowledged, certifying with respect to any Lot owned by the Owner, that as of the date thereof, either (a) all Improvements made or done upon or within such Lot by the Owner comply with this Declaration or (b) such Improvements do not so comply, in which event the certificate shall also identify the noncomplying Improvements and set forth with particularity the nature of such noncompliance. Any purchaser from the Owner, and any mortgagee or other encumbrancer, shall be entitled to rely on such certificate with respect to the matters set forth therein, such matters being conclusive as between Declarant, the Architectural Review Committee, the Association and all Owners, and such purchaser or mortgagee.

7.11 **Enforcement.** If during or after the construction the Architectural Review Committee finds that construction does not comply with the approved plans, the Committee may require conforming changes to be made or that construction be stopped. The cost of any required changes shall be borne by the Owner. The Committee shall have the power and authority to order any manner of changes or complete removal of any Improvement, alteration or other activity for which prior written approval from the Committee is required and has not been obtained or waived in writing. If an Owner fails to comply with an order of the Committee, then, subject to the Owner's right of appeal under Section 7.8, either the Architectural Review Committee or the Association may enforce compliance in accordance with the procedures set forth in Section 11.1 below.

Article 8

Association

Before conveyance of the first Lot, Declarant shall organize an association of all of the Owners within Renaissance at the Links. Such Association, and its successors and assigns, shall be organized as an Oregon nonprofit corporation under the name "**Renaissance at the Links Homeowners Association,**" and shall have such property, powers and obligations as are set forth in this Declaration for the benefit of the Property and all Owners of Lots located therein.

8.1 **Organization.** Declarant shall, before the first Lot is conveyed to an Owner, organize the Association as a nonprofit corporation under the general nonprofit corporation laws of the State of Oregon. The Articles of Incorporation of the Association shall provide for its perpetual existence, but in the event the Association is at any time dissolved, whether inadvertently or deliberately, it shall automatically be succeeded by an unincorporated association of the same name. In that event, the assets of the Association shall be dedicated to a public body, or all of the property, powers and obligations of the incorporated Association existing immediately prior to its dissolution shall thereupon automatically vest in the successor unincorporated association, and such vesting shall thereafter be confirmed as evidenced by appropriate conveyances and assignments by the incorporated association. To the greatest extent possible, any successor unincorporated association shall be governed by the Articles of Incorporation and Bylaws of the Association as if they had been made to constitute the governing documents of the unincorporated association.

8.2 **Membership.** Every Owner of one or more Lots within the Property shall, immediately upon creation of the Association and thereafter during the entire period of such Owner's ownership of one or more Lots within the Property, be a member of the Association. Such membership shall commence, exist and continue simply by virtue of such ownership; shall expire automatically upon termination of such ownership; and need not be confirmed or evidenced by any certificate or acceptance of membership.

8.3 **Voting Rights.** The Association shall have two classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Class B member and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Lot.

Class B. The Class B member shall be Declarant and shall be entitled to three votes for each Lot owned by Declarant. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(i) When all of the Lots of Renaissance at the Links have been sold and conveyed to Owners other than a successor Declarant; or

(ii) At such earlier time as Declarant may elect in writing to terminate Class B membership.

8.4 **General Powers and Obligations.** The Association shall have, exercise and perform all of the following powers, duties and obligations:

(a) The powers, duties and obligations granted to the Association by this Declaration.

(b) The powers and obligations of a nonprofit corporation pursuant to the general nonprofit corporation laws of the State of Oregon.

(c) The powers, duties and obligations of a homeowner's association pursuant to the Oregon Planned Community Act.

(d) Any additional or different powers, duties and obligations necessary or desirable for the purpose of carrying out the functions of the Association pursuant to this Declaration or otherwise promoting the general benefit of the Owners within the Property.

The powers and obligations of the Association may from time to time be amended, repealed, enlarged or restricted by changes in this Declaration made in accordance with its provisions, accompanied by changes in the Articles of Incorporation or Bylaws of the Association made in accordance with such instruments and with the nonprofit corporation laws of the State of Oregon.

8.5 **Specific Powers and Duties.** The powers and duties of the Association shall include, without limitation, all of the following:

(a) **Maintenance and Services.** The Association shall provide maintenance and services for the Property as provided in Article 9 and other provisions of this Declaration.

(b) **Insurance.** The Association shall obtain and maintain in force policies of insurance as provided in this Declaration or the Bylaws of the Association.

(c) **Rulemaking.** The Association shall make, establish, promulgate, amend and repeal Rules and Regulations as provided in Section 6.24 of this Declaration.

(d) **Assessments.** The Association shall adopt budgets and impose and collect Assessments as provided in Article 10 of this Declaration.

(e) **Enforcement.** The Association shall perform such acts, whether or not expressly authorized by this Declaration, as may be reasonably necessary to enforce the provisions of this Declaration and the Rules and Regulations adopted by the Association, including, without limitation, enforcement of the decisions of the Architectural Review Committee. Nothing in this Declaration shall be construed as requiring the Association to take any specific action to enforce violations.

(f) **Employment of Agents, Advisers and Contractors.** The Association, through its Board of Directors, may employ the services of any person or corporation as managers; hire employees to manage, conduct and perform the business, obligations and duties of the Association; employ professional counsel and obtain advice from such persons or firms or corporations such as, but not limited to, landscape architects, architects, planners, lawyers and accountants; and contract for or otherwise provide for all services necessary or convenient for the management, maintenance and operation of the Property; provided, however, the Association may not incur or commit to incur legal fees in excess of \$5,000 for any specific matter unless the Owners have enacted a resolution authorizing the incurring of such fees by a vote of seventy-five percent (75%) of the voting rights present in person or by absentee ballot or proxy at a meeting at which a quorum is constituted. This limitation shall not be applicable to legal fees incurred in defending the Association or the Board of Directors from claims or litigation brought against

them. The limitation set forth in this paragraph shall increase by \$500 on each fifth anniversary of the recording of this Declaration.

(g) **Borrow Money, Hold Title and Make Conveyances.** The Association may borrow and repay moneys for the purpose of performing its duties under this Declaration, and subject to Section 4.3(d) above, encumber the Common Areas as security for the repayment of such borrowed money. The Association may acquire, hold title to and convey, with or without consideration, real and personal property and interests therein, including, but not limited to, easements across all or any portion of the Common Area, and shall accept any real or personal property, leasehold or other property interests within Renaissance at the Links conveyed to the Association by Declarant.

(h) **Transfer, Dedication and Encumbrance of Common Area.** Except as otherwise provided in Section 4.3(d) above, the Association may sell, transfer or encumber all or any portion of the Common Area to a person, firm or entity, whether public or private, and dedicate or transfer all or any portion of the Common Area to any public agency, authority, or utility for public purposes.

(i) **Create Classes of Service and Make Appropriate Charges.** The Association may, in its sole discretion, create various classes of service and make appropriate Individual Assessments or charges therefor to the users of such services, including, but not limited to, reasonable admission and other fees for the use of any and all recreational facilities situated on the Common Areas, without being required to render such services to those of its members who do not assent to such charges and to such other Rules and Regulations as the Board of Directors deems proper. In addition, the Board of Directors shall have the right to discontinue any service upon nonpayment of Assessments or to eliminate any service for which there is no demand or for which there are inadequate funds to maintain the same.

(j) **Shared Use Agreements.** On behalf of the Association and Owners, the Board of Directors may enter into agreements pursuant to which the Owners shall have the use and benefit of common facilities located outside of the Property, subject to payment of a pro rata share of the costs of maintaining such facilities. Such agreements may include, for example, an agreement with Orchard Greens Homeowners Association for use of the swimming pool located in Orchard Greens or agreements with The Links at Tukwila Homeowners Association for use of the Common Areas within The Links at Tukwila – Phase I. The Association's pro rata share of the costs pursuant to such agreements shall be a common expense of the Association.

(k) **Implied Rights and Obligations.** The Association may exercise any other right or privilege reasonably to be inferred from the existence of any right or privilege expressly given to the Association under this Declaration or reasonably necessary to effectuate any such right or privilege.

8.6 **Liability.** Neither a member of the Board of Directors nor an officer of the Association shall be liable to the Association or any member thereof for any damage, loss or prejudice suffered or claimed on account of any action or failure to act in the performance of his duties, except for acts of gross negligence or intentional acts. In the event any member of the Board of Directors or any officer of the Association is made a party to any proceeding because

the individual is or was a director or officer of the Association, the Association shall indemnify such individual against liability and expenses incurred to the maximum extent permitted by law. The managing agent of the Association, and its officers and employees, shall not be liable to the Owners or any third parties on account of any action or failure to act in the performance of its duties as managing agent, except for acts of gross negligence or intentional acts, and the Association shall indemnify the managing agent and its officers and employees from any such claims, other than for gross negligence or intentional misconduct.

8.7 **Interim Board; Turnover Meeting.** Declarant shall have the right to appoint an interim board of one to three directors, who shall serve as the Board of Directors of the Association until replaced by Declarant or until their successors take office at the Turnover Meeting following termination of Class B membership. Declarant shall call a meeting of the Association for the purpose of turning over administrative responsibility for the Property to the Association not later than ninety (90) days after termination of the Class B membership in accordance with Section 8.3 above. At the Turnover Meeting the interim directors shall resign and their successors shall be elected by the Owners, as provided in this Declaration and in the Bylaws of the Association. If Declarant fails to call the Turnover Meeting required by this section, any Owner or mortgagee of a Lot may call the meeting by giving notice as provided in the Bylaws.

8.8 **Contracts Entered into by Declarant or Before Turnover Meeting.** Notwithstanding any other provision of this Declaration, any management contracts, service contracts or employment contracts entered into by Declarant or the Board of Directors on behalf of the Association before the Turnover Meeting shall have a term of not more than three (3) years. In addition, any such contract shall provide that it may be terminated without cause or penalty by the Association or Board of Directors upon not less than thirty (30) days' notice to the other party given not later than sixty (60) days after the Turnover Meeting.

8.9 **Bylaws.** The Bylaws of the Association and any amendment or modification of the Bylaws shall be recorded in the Deed Records of Marion County, Oregon. Declarant hereby adopts, on behalf of the Association, the initial Bylaws attached as Exhibit A to this Declaration.

Article 9

Maintenance, Utilities and Services

9.1 **Maintenance of Common Maintenance Areas.** The Association may provide exterior lighting for and shall perform all maintenance upon the Common Maintenance Areas, including, but not limited to mowing, edging, watering, clipping, sweeping, pruning, raking, and otherwise caring for landscaping, irrigation, walks, entrance monuments, gates, fences, walls, signs, walkways and trails, unless the maintenance thereof is assumed by a public body. Such areas shall be maintained in attractive condition and in a good and workmanlike manner to render them fit for the purposes for which they are intended.

9.2 **Maintenance of Utilities.** The Association shall perform or contract to perform maintenance of all private utilities within Common Areas, such as sanitary sewer service lines, domestic water service lines and storm drainage lines, except to the extent such maintenance is

performed by the utilities furnishing such services. The Association shall not be liable for any interruption or failure of such services. Each Owner shall be responsible for maintaining utility lines within his Lot.

9.3 **Security.** The Association may, but shall not be obligated to, maintain or support certain activities within the Property designed to make the Property safer than it otherwise might be. Neither the Association, any managing agent retained by the Association, Declarant, nor any successor Declarant shall in any way be considered insurers or guarantors of security within the Property, nor shall any of them be held liable for any loss or damage by reason of failure to provide adequate security or of ineffectiveness of security measures undertaken. No representation or warranty is made that any fire protection system, burglar alarm system or other security system cannot be compromised or circumvented, nor that any such systems or security measures undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges, understands and covenants to inform its tenants that the Association, its Board of Directors and committees, any managing agent retained by the Association, Declarant, and any successor Declarant are not insurers and that each person using the Property assumes all risks for loss or damage to persons, to property and to the contents of Lots resulting from acts of third parties and releases such parties from any liability therefor.

9.4 **Services.** The Association shall provide or contract for such services as the Board may reasonably deem to be of benefit to the Property, including, without limitation, landscape services, garbage and trash removal for Common Areas and security services.

9.5 **Owner's Responsibility.** Except as otherwise provided in this Declaration or by written agreement with the Association, all maintenance of each Living Unit as provided in Section 6.5 above shall be the sole responsibility of the Owner thereof, who shall maintain such Living Unit in a neat and attractive condition in accordance with the community-wide standard of Renaissance at the Links. The Association shall, in the discretion of the Board of Directors, assume the maintenance responsibilities of such Owner if, in the opinion of the Board of Directors, the level and quality of maintenance being provided by such Owner does not satisfy such standard. Before assuming such maintenance responsibilities, the Board of Directors shall notify the Owner in writing of its intention to do so, and if such Owner has not commenced and diligently pursued remedial action within fifteen (15) days after mailing of such written notice, then the Association shall proceed. The expenses of such maintenance by the Association shall be reimbursed to the Association by the Owner, together with interest as provided in Section 11.5 below. Such charges shall be an Individual Assessment and lien on the Lot as provided in Sections 10.7 and 11.1 below.

9.6 **Damage Liability.** Any damage to any Common Maintenance Area by Owners, their children, agents, visitors, friends, relatives, tenants, occupants or service personnel shall be repaired by the Owner within fifteen (15) days following the date on which notice is mailed by the Association informing the Owner of such violation. If the damage has not been repaired within such time, then the Association shall perform such repair and the cost shall be assessed to the Owner as an Individual Assessment.

Article 10

Assessments

10.1 **Purpose of Assessments.** The Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the Owners and occupants of the Property and for the improvement, operation and maintenance of the Common Areas.

10.2 **Types of Assessments.** The Association may levy Annual Assessments, Special Assessments, Emergency Assessments, Working Fund Assessments and Individual Assessments, all as more particularly described below.

10.3 **Apportionment of Assessment.**

(a) **Lots Owned by Declarant.** Lots owned by Declarant shall not be subject to Annual Assessments, Special Assessments or Emergency Assessments until such time as an occupancy certificate is issued for the Living Unit located on the Lot, except that Annual Assessments for reserves as described in Section 10.11 below shall begin accruing for all Lots, including Lots owned by Declarant, from the date the first Lot is conveyed. Declarant, however, may defer payment of the accrued reserve assessments for a Lot until the date the Lot is conveyed, but not beyond the date of the Turnover Meeting or, if no Turnover Meeting is held, the date the Owners assume administrative control of the Association. The books and records of the Association shall reflect the amount owing from Declarant for all reserve Assessments.

(b) **Other Lots.** All Lots other than unoccupied Lots owned by Declarant shall be subject to assessment and shall pay an equal share of the Annual Assessments, Special Assessments and Emergency Assessments. Notwithstanding the provisions of this section, however, a supplemental declaration annexing a specific Common Area facility may specify a special allocation of assessing the costs of operating and maintaining the facility on such Common Area in order to more fairly allocate such cost, taking into account the extent of use or other factors. Declarant may elect to delay collection of Annual Assessments against all Lots, but in such case shall pay all common expenses of the Association until such Assessments commence. No Owner by the Owner's own action may claim exemption from liability for contribution towards common expenses by waiver by the Owner of use of enjoyment of any of the Common Area or by abandonment by the Owner of the Owner's Lot. An Owner may not claim an offset against an Assessment for failure of the Association to perform its obligations, and no Owner may offset amounts owing or claimed to be owing by the Association or Declarant to the Owner.

10.4 **Annual Assessments.** The Board of Directors of the Association shall from time to time and at least annually prepare an operating budget for the Association, taking into account the current costs of maintenance and services and future needs of the Association, any previous overassessment and any common profits of the Association. The budget shall take into account the number of Lots subject to assessment as of the first day of the fiscal year for which the budget is prepared and the number of Lots reasonably anticipated to become subject to assessment during the fiscal year. The budget may be based upon a greater number of Lots than

those reasonably anticipated to be subject to assessment during the fiscal year if the Declarant agrees to subsidize the Association for any shortfall in the Operations Fund until assumed number of Lots is subject to assessment. The budget shall provide for such reserve or contingency funds as the Board deems necessary or as may be required by law, but not less than the reserves required by Section 10.11 below. Annual Assessments for such operating expenses and reserves ("**Annual Assessments**") shall then be apportioned among the Lots as provided in Section 10.3 above. Within thirty (30) days after adopting the annual budget, the Board of Directors shall provide a summary of the budget to all Owners. If the Board of Directors fails to adopt an annual budget, the last adopted budget shall continue in effect. The manner of billing and collection of Assessments shall be as provided in the Bylaws.

10.5 **Special Assessments.** In addition to the Annual Assessment authorized above, the Board of Directors may levy during any fiscal year a Special Assessment ("**Special Assessment**"), applicable to that year only, for the purpose of deferring all or any part of the cost of any construction or reconstruction, unexpected repair, or acquisition or replacement of a described capital improvement, or for any other one-time expenditure not to be paid for out of Annual Assessments. Special Assessments for acquisition or construction of new capital improvements or additions that in the aggregate in any fiscal year exceed an amount equal to fifteen percent (15%) of the budgeted gross expenses of the Association for such fiscal year may be levied only if approved by a majority of the voting rights voting on such matter, together with the written consent of the Class B member, if any. Before the Turnover Meeting, any Special Assessment for acquisition or construction of new capital improvements or additions must be approved by not less than fifty percent (50%) of the Class A voting rights, together with the written consent of the Class B member. Special Assessments shall be apportioned as provided in Section 10.3 above and may be payable in lump sum or in installments, with or without interest or discount, as determined by the Board of Directors.

10.6 **Emergency Assessments.** If the Annual Assessments levied at any time are or will become inadequate to meet all expenses incurred under this Declaration for any reason, including nonpayment of any Owner's Assessments on a current basis, the Board of Directors shall immediately determine the approximate amount of such inadequacy and issue a supplemental budget, noting the reason therefor, and levy an Emergency Assessment for the amount required to meet all such expenses on a current basis ("**Emergency Assessment**"). Emergency Assessments shall be apportioned as set forth in Section 10.3 above and payable as determined by the Board of Directors.

10.7 **Individual Assessments.** Any common expense or any part of a common expense benefiting fewer than all of the Lots may be assessed exclusively against the Lots benefited ("**Individual Assessment**"). Individual Assessments include, without limitation, charges for services provided under Sections 8.5(i) and 9.5 and any common expense that the Board of Directors determines is the fault of the Owner and not paid by insurance. Individual Assessments shall also include default Assessments levied against any Lot to reimburse the Association for costs incurred in bringing such Lot or its Owner into compliance with the provisions of this Declaration or the Rules and Regulations of the Association and for fines or other charges imposed pursuant to this Declaration for violation thereof. Unless otherwise provided by the Board of Directors, Individual Assessments shall be due 30 days after the Board

of Directors has given written notice thereof to the Owners subject to the Individual Assessments.

10.8 **Working Fund Assessments.** Upon the first sale of a Lot to a purchaser other than a successor Declarant and upon any subsequent sale of such Lot, the purchaser shall pay to the Association a Working Fund Assessment equal to three times the monthly Annual Assessment then applicable to the Lot (the "**Working Fund Assessment**"). The Board of Directors may deposit Working Fund Assessments either in the Operations Fund or in the Reserve Fund, at the discretion of the Board.

10.9 **Annexation of Additional Property.** When Additional Properties are annexed to Renaissance at the Links, the Lots included therein shall become subject to Assessments from the date of such annexation to the extent provided in Section 10.3. The Board of Directors, however, at its option may elect to recompute the budget based upon the additional Lots subject to assessment and additional Common Areas and recompute Annual Assessments for all Lots, including the new Lots, for the balance of the fiscal year. Notwithstanding any provision of this Declaration apparently to the contrary, a declaration annexing Additional Property may provide that such Additional Property does not have the right to use a particular Common Area or facility located thereon, in which case such Additional Property shall not be assessed for the costs of operating, maintaining, repairing, replacing or improving such Common Area or facility.

10.10 **Operations Fund.** The Association shall keep all funds received by it as Assessments, other than reserves described in Section 10.11 or Working Fund Assessments deposited in the Reserve Fund as described in Section 10.8, separate and apart from its other funds, in a bank account in the State of Oregon in the name of the Association to be known as the "**Operations Fund.**" All expenses of the Association shall be paid from the Operations Fund or from the Reserve Fund referred to in Section 10.11. The Association shall use such fund exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents within the Property and in particular for the improvement and maintenance of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Areas and of the Lots situated upon the Property, including but not limited to:

(a) Payment of the cost of maintenance, utilities and services as described in Article 9.

(b) Payment of the cost of insurance as described in the Bylaws of the Association.

(c) Payment of taxes assessed against the Common Areas and any improvements thereon.

(d) Payment of the cost of other services that the Association deems to be of general benefit to the Owners, including, but not limited to, accounting, legal and secretarial services.

(e) Payment of the costs under shared use agreements entered into pursuant to Section 8.5(j) above.

10.11 Reserve Fund.

(a) Establishment of Account. Declarant shall conduct a reserve study as described in paragraph (c) of this section and establish a bank account in the State of Oregon in the name of the Association (the "Reserve Fund") for replacement of any common properties that will normally require replacement in whole or in part in more than three (3) and less than thirty (30) years, for exterior painting if the Common Maintenance Areas or other property to be maintained by the Association include exterior painted surfaces, and for other items, whether or not involving Common Maintenance Areas, if the Association has responsibility to maintain the items. The Reserve Fund need not include those items that could reasonably be funded from operating Assessments or for those items for which one or more Owners are responsible for maintenance and replacement under the provisions of this Declaration or the Bylaws.

(b) Funding of Reserve Fund. If required, the Reserve Fund shall be funded by Assessments against the individual Lot assessed for maintenance of the items for which the Reserve Fund is being established, which sums shall be included in the regular Annual Assessment for the Lot. The Reserve Fund shall also include Working Fund Assessments to the extent so allocated by the Board of Directors pursuant to Section 10.8. The Reserve Fund shall be established in the name of the Association. The Association is responsible for administering the Reserve Fund and making periodic payments into it.

(c) Reserve Studies. The reserve portion of the initial Assessment determined by Declarant shall be based on a reserve study described in this paragraph (c) or other sources of information. The Board of Directors annually shall conduct a reserve study, or review and update an existing study, to determine the Reserve Fund requirements and may adjust the amount of payments as indicated by the study or update and provide other reserve items that the Board of Directors, in its discretion, may deem appropriate. The reserve study shall include:

- (i) Identification of all items for which reserves are to be established;
- (ii) The estimated remaining useful life of each item as of the date of the reserve study;
- (iii) The estimated cost of maintenance, repair or replacement of each item at the end of its useful life;
- (iv) A thirty (30) year plan with regular and adequate contributions, adjusted by estimated inflation and interest earned on reserves, to meet the maintenance, repair and replacement schedule.

(d) Use of Reserve Fund. If required, the Reserve Fund shall be used only for the purposes for which the reserves have been established and shall be kept separate from other funds. After the Turnover Meeting, however, the Board of Directors may borrow funds from the Reserve Fund to meet high seasonal demands on the regular operating funds or to meet unexpected increases in expenses if the Board of Directors has adopted a resolution, which may be an annual continuing resolution, authorizing the borrowing of funds. Funds so borrowed from the Reserve Fund must be repaid from Assessments. Not later than the adoption of the budget for

the following year, the Board of Directors shall adopt by resolution a written payment plan providing for repayment of the borrowed funds within a reasonable period. Nothing in this section shall prohibit prudent investment of the Reserve Fund. In addition to the authority of the Board of Directors under paragraph (c) of this section, following the second year after the Turnover Meeting, the Association may elect to reduce or increase future Assessments for the Reserve Fund by an affirmative vote of not less than seventy-five percent (75%) of the voting power of the Association and may, on an annual basis by a unanimous vote, elect not to fund the Reserve Fund. Assessments paid into the Reserve Fund are the property of the Association and are not refundable to sellers or Owners of Lots. Sellers of the Lots, however, may treat their outstanding share of the Reserve Fund as a separate item in any sales agreement.

10.12 **Creation of Lien and Personal Obligation of Assessments.** Declarant, for each Lot owned by it within the Property, does hereby covenant, and each Owner of any Lot by acceptance of a conveyance thereof, whether or not so expressed in any such conveyance, shall be deemed to covenant to pay to the Association all Assessments or other charges as may be fixed, established and collected from time to time in the manner provided in this Declaration or the Association Bylaws. Such Assessments and charges, together with any interest, expenses or attorneys' fees imposed pursuant to Section 11.5, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such Assessment or charge is made. Such Assessments, charges and other costs shall also be the personal obligation of the person who was the Owner of such Lot at the time when the Assessment or charge fell due. Such liens and personal obligations shall be enforced in the manner set forth in Article 11 below.

10.13 **Voluntary Conveyance.** In a voluntary conveyance of a Lot the grantee shall be jointly and severally liable with the grantor for all unpaid Assessments against the grantor of the Lot up to the time of the grant or conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor. However, upon request of a prospective purchaser, the Board of Directors shall make and deliver a statement of the unpaid Assessments against the prospective grantor of the Lot, and the grantee in that case shall not be liable for, nor shall the Lot when conveyed be subject to, a lien filed thereafter for any unpaid Assessments against the grantor in excess of the amount set forth in the statement.

Article 11

Enforcement

11.1 **Violation of General Protective Covenants.** In the event that any Owner constructs or permits to be constructed on his Lot an Improvement contrary to the provisions of this Declaration, or violates any provisions of this Declaration, the Bylaws, or the Rules and Regulations, then the Association acting through its Board of Directors shall notify the Owner in writing of any such specific violations. If the Owner is unable, is unwilling, or refuses to comply with the Association's specific directives for remedy or abatement, or the Owner and the Association cannot agree to a mutually acceptable solution within the framework and intent of this Declaration, after notice and opportunity to be heard as provided in the Bylaws and within fourteen (14) days after issuing written notice to the Owner, then the Association acting through its Board of Directors shall have the right to do any or all of the following:

(a) Assess reasonable fines against such Owner, based upon a resolution adopted by the Board of Directors that is delivered to each Lot, mailed to the mailing address of each Lot or mailed to the mailing address designated by the Owner of each Lot in writing, which fines shall constitute Individual Assessments for purposes of this Declaration;

(b) Enter the offending Lot and remove the cause of such violation, or alter, repair or change the item that is in violation of this Declaration in such a manner as to make it conform thereto, in which case the Association may assess such Owner for the entire cost of the work done, which amount shall be payable to the Operations Fund as an Individual Assessment, provided that no items of construction shall be altered or demolished in the absence of judicial proceedings;

(c) Cause any vehicle parked in violation of this Declaration or of the Rules and Regulations to be towed and impounded at the Owner's expense;

(d) Suspend the voting rights, any utility services paid for out of Assessments and the right to use the Common Areas for the period that the violations remain unabated, provided that the Association shall not deprive any Owner of access to and from his Living Unit; and

(e) Bring suit or action against the Owner on behalf of the Association and other Owners to enforce this Declaration.

11.2 Default in Payment of Assessments; Enforcement of Lien. If an Assessment or other charge levied under this Declaration is not paid within thirty (30) days after its due date, such Assessment or charge shall become delinquent and shall bear interest from the due date at the rate set forth below. In such event the Association may exercise any or all of the following remedies:

(a) The Association may suspend such Owner's voting rights, any utility services paid for out of Assessments and right to use the Common Areas until such amounts, plus other charges under this Declaration, are paid in full and may declare all remaining periodic installments of any Annual Assessment immediately due and payable. In no event, however, shall the Association deprive any Owner of access to and from his Lot.

(b) The Association shall have a lien in accordance with ORS 94.709 against each Lot for any Assessment levied against the Lot, including any fines or other charges imposed under this Declaration or the Bylaws against the Owner of the Lot.

(c) The Association may bring an action to recover a money judgment for unpaid Assessments, fines and charges under this Declaration without foreclosing or waiving the lien described in paragraph (b) above. Recovery on any such action, however, shall operate to satisfy the lien, or the portion thereof, for which recovery is made.

(d) The Association shall have any other remedy available to it by law or in equity.

11.3 **Reports to First Mortgagees.** In response to a written request of any first mortgagee of a Lot, the Association shall report to such mortgagee whether such Lot is current or past-due with respect to Assessments.

11.4 **Subordination of Lien to Mortgages.** The lien of the Assessments or charges provided for in this Declaration shall be subordinate to the lien of any mortgage or deed of trust on such Lot, which was made in good faith and for value and that was recorded before the recordation of the notice of lien. Sale or transfer of any Lot shall not affect the Assessment lien, but the sale or transfer of any Lot that is subject to any mortgage or deed of trust pursuant to a decree of foreclosure thereunder or any deed or proceeding, deed or assignment in lieu of foreclosure shall extinguish any lien of an Assessment, notice of which was recorded after the recording of the mortgage or trust deed. The unpaid Assessments as a result of such foreclosure or sale shall become a common expense of all Owners, including the mortgagee or purchaser, and such sale or transfer shall not release the Lot from liability for any Assessments or charges thereafter becoming due or from the lien of such Assessments or charges.

11.5 **Interest, Late Charges and Expenses.** Any amount not paid to the Association when due in accordance with this Declaration shall bear interest from the due date until paid at a rate that is the greater of eighteen percent (18%) per annum or three percentage points per annum above the prevailing Portland, Oregon prime rate as of the due date, or such other rate as may be established by the Board of Directors, but not to exceed the lawful rate of interest under the laws of the State of Oregon. A late charge may be charged for each delinquent Assessment in an amount established from time to time by resolution of the Board of Directors, which resolution is delivered to each Lot, mailed to the mailing address of each Lot or mailed to the mailing address designated by the Owner in writing, together with all expenses incurred by the Association in collecting such unpaid assessments, including attorneys' fees (whether or not suit is instituted). In the event the Association shall file a notice of lien, the lien amount shall also include the recording fees associated with filing the notice, and a fee for preparing the notice of lien, established from time to time by resolution of the Board of Directors.

11.6 **Costs and Attorneys' Fees.** In the event the Association shall bring any suit or action to enforce this Declaration, the Bylaws of the Association or the Rules and Regulations, or to collect any money due hereunder or to foreclose a lien, the Owner-defendant shall pay to the Association all costs and expenses incurred by it in connection with such suit or action, including a foreclosure title report, and the prevailing party in such suit or action shall recover such amount as the court may determine to be reasonable as attorneys' fees at trial and upon any appeal or petition for review thereof or in connection with any bankruptcy proceedings or special bankruptcy remedies.

11.7 **Nonexclusiveness and Accumulation of Remedies.** An election by the Association to pursue any remedy provided for violation of this Declaration shall not prevent concurrent or subsequent exercise of another remedy permitted under this Declaration. The remedies provided in this Declaration are not exclusive but shall be in addition to all other remedies, including actions for damages and suits for injunctions and specific performance, available under applicable law to the Association. In addition, any aggrieved Owner may bring an action against another Owner or the Association to recover damages or to enjoin, abate or remedy any violation of this Declaration by appropriate legal proceedings.

11.8 **Enforcement by the City of Woodburn.** The provisions of this Declaration relating to preservation and maintenance of Common Areas shall be deemed to be for the benefit of the City of Woodburn as well as the Association and Owners of Lots, and the City of Woodburn may enforce such provisions by appropriate proceedings at law or in equity, or may cause such maintenance to be performed, the costs of which shall become a lien upon the Property.

Article 12

Dispute Resolution

12.1 **Mediation.**

(a) Except as otherwise provided in this section, before initiating litigation, arbitration or an administrative proceeding in which the Association and an Owner have an adversarial relationship, the party that intends to initiate litigation, arbitration or an administrative proceeding shall offer to use any dispute resolution program available within Marion County, Oregon, that is in substantial compliance with the standards and guidelines adopted under ORS 36.175. The written offer must be hand-delivered or mailed by certified mail, return receipt requested, to the address, contained in the records of the Association, for the other party.

(b) If the party receiving the offer does not accept the offer within ten (10) days after receipt of the offer, such acceptance to be made by written notice, hand-delivered or mailed by certified mail, return receipt requested, to the address, contained in the records of the Association, for the other party, the initiating party may commence the litigation, arbitration or administrative proceeding. The notice of acceptance of the offer to participate in the program must contain the name, address and telephone number of the body administering the dispute resolution program.

(c) If a qualified dispute resolution program exists within Marion County, Oregon and an offer to use the program is not made as required under paragraph (a) of this section, then litigation, arbitration or an administrative proceeding may be stayed for thirty (30) days upon a motion of the noninitiating party. If the litigation, arbitration or administrative action is stayed under this paragraph, both parties shall participate in the dispute resolution process.

(d) Unless a stay has been granted under paragraph (c) of this section, if the dispute resolution process is not completed within thirty (30) days after receipt of the initial offer, the initiating party may commence litigation, arbitration or an administrative proceeding without regard to whether the dispute resolution is completed.

(e) Once made, the decision of the court, arbitrator or administrative body arising from litigation, arbitration or an administrative proceeding may not be set aside on the grounds that an offer to use a dispute resolution program was not made.

(f) The requirements of this section do not apply to circumstances in which

irreparable harm to a party will occur due to delay or to litigation, arbitration or an administrative proceeding initiated to collect Assessments, other than Assessments attributable to fines.

12.2 **Arbitration.** Any claim, controversy, or dispute by or among Declarant, Association, the Architectural Control Committee, or one or more Owners, or any of them, arising out of or related to this Declaration, the Bylaws of the Association, the Rules and Regulations, or the Property shall be first subject to mediation as described in Section 12.1 above or otherwise, and if not timely settled by mediation, resolved by arbitration in accordance with this Article 12. The decisions and award of the arbitrator shall be final, binding and nonappealable. The arbitration shall be conducted in Woodburn, Oregon or at such other location as may be agreed upon by the parties, pursuant to the arbitration statutes of the State of Oregon and any arbitration award may be enforced by any court with jurisdiction. Filing for arbitration shall be treated the same as filing in court for purposes of meeting any applicable statute of limitations or for purposes of filing a notice of pending action (“*lis pendens*”).

12.3 **Selection of Arbitrator.** The arbitration shall be conducted by a single arbitrator selected by mutual agreement of the parties. The arbitrator selected shall be neutral and unbiased, except to the extent the arbitrator’s prior relationship with any party is fully disclosed and consented to by the other party or parties. If the parties are unable to agree upon the arbitrator within ten (10) days after a party’s demand for arbitration, upon application of any party, the presiding judge of the Circuit Court of Marion County, Oregon shall designate the arbitrator.

12.4 **Consolidated Arbitration.** Upon demand by any party, claims between or among the parties and third parties shall be submitted in a single, consolidated arbitration.

12.5 **Discovery.** The parties to the arbitration shall be entitled to such discovery as would be available to them in an action in Marion County Circuit Court. The arbitrator shall have all of the authority of the court incidental to such discovery, including, without limitation, authority to issue orders to produce documents or other materials, to issue orders to appear and submit to deposition, and to impose appropriate sanctions including, without limitation, award against a party for failure to comply with any order.

12.6 **Evidence.** The parties to the arbitration may offer such evidence as they desire and shall produce such additional evidence as the arbitrator may deem necessary for an understanding and determination of the dispute. The arbitrator shall determine the admissibility of the evidence offered. All evidence shall be taken in the presence of the arbitrator and all of the parties, except when any of the parties is absent in default or has waived its right to be present.

12.7 **Excluded Matters.** Notwithstanding the foregoing, the following matters shall not be subject to mediation or arbitration under this Article 12 (but shall be subject to the applicable provisions of Section 12.8 below): (a) actions relating to the collection of fees, Assessments, fines and other charges imposed or levied by the Association (other than disputes as to the validity or amount of such fees, Assessments, fines or charges, which disputes shall be subject to mediation/arbitration as provided above); and (b) actions to enforce any order, decision or award rendered by arbitration pursuant to this Article 12. The filing of a *lis pendens*

or the application to any court for the issuance of any provisional process or similar remedy described in the Oregon or Federal Rules of Civil Procedure shall not constitute a waiver of the right or duty to utilize the procedures specified in this Article 12.

12.8 **Costs and Attorneys' Fees.** The fees of any mediator and the costs of mediation shall be divided and paid equally by the parties. Each party shall pay its own attorneys' fees and costs in connection with any mediation. The fees of any arbitrator and the costs of arbitration shall be paid by the nonprevailing party or parties; if none, such fees and costs shall be divided and paid equally by the parties. Should any suit, action or arbitration be commenced in connection with any dispute related to or arising out of this Declaration, the Bylaws or the Rules and Regulations; to obtain a judicial construction of any provision of this Declaration, the Bylaws or the Rules and Regulations; to rescind this Declaration; or to enforce or collect any judgment or decree of any court or any award obtained during arbitration, the prevailing party shall be entitled to recover its costs and disbursements, together with such investigation, expert witness and attorneys' fees incurred in connection with such dispute as the court or arbitrator may adjudge reasonable, at trial, in the arbitration, upon any motion for reconsideration, upon petition for review, and on any appeal of such suit, action or arbitration proceeding. The determination of who is the prevailing party and the amount of reasonable attorneys' fees to be paid to the prevailing party shall be decided by the arbitrator (with respect to attorneys' fees incurred before and during the arbitration proceeding) and by the court or courts, including any appellate or review court, in which such matter is tried, heard or decided, including a court that hears a request to compel or enjoin arbitration or that hears exceptions made to an arbitration award submitted to it for confirmation as a judgment (with respect to attorneys' fees incurred in such proceedings).

12.9 **Survival.** The mediation and arbitration agreement set forth in this Article 12 shall survive the transfer by any party of its interest or involvement in the Property and any Lot therein and shall survive the termination of this Declaration.

Article 13

Mortgagees

13.1 **Notices of Action.** An institutional holder, insurer, or guarantor of a first mortgage which provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the street address of the Lot to which its mortgage relates, thereby becoming an "Eligible Holder"), will be entitled to timely written notice of:

(a) Any condemnation loss or any casualty loss which affects a material portion of the Property or which affects any Lot on which there is a first mortgage held, insured, or guaranteed by such Eligible Holder;

(b) Any delinquency in the payment of assessments or charges owned by a Lot subject to the mortgage of such Eligible Holder, where such delinquency has continued for a period of sixty (60) days, or any other violation of this Declaration, the Bylaws or the Rules and

Regulations relating to such Lot or the Owner or occupant which is not cured within sixty (60) days;

(c) Any lapse, cancellation, or material modification of any insurance policy maintained by the Association; and

(d) Any proposed action that would require the consent of a specified percentage of Eligible Holders.

13.2 **No Priority.** No provision of this Declaration gives or shall be construed as giving an Owner or other party priority over the rights of the first mortgagee of any Lot in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

13.3 **Notice of Association.** Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any mortgage encumbering such Owner's Lot.

13.4 **Failure of Mortgagee to Respond.** Any mortgagee who receives a written request from the Board of Directors to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the mortgagee within thirty (30) days of the date of the Association's request, provided such request is delivered to the mortgagee by certified or registered mail, return receipt requested.

13.5 **Construction of this Article.** Nothing contained in this Article shall be construed to reduce the percentage vote that must otherwise be obtained under this Declaration, the Bylaws or Oregon law for any of the acts set out in this Article.

13.6 **Reimbursement of First Mortgagees.** First mortgagees of Lots may, jointly or singly, pay taxes or other charges that are in default and that may or have become a charge against any Common Area and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for such Common Area. First mortgagees making such payments shall be owed immediate reimbursement therefor from the Association, to the extent the same was the responsibility of the Association.

13.7 **Right of First Mortgagees Relating to Maintenance.** At any time that the Common Areas are not maintained or repaired by the Association to the extent reasonably necessary to protect and preserve the value of the Property for security purposes, then the record mortgagee, upon giving written notice as provided in this paragraph, shall be entitled to exercise the rights of the Owner of the Lot as a member of the Association to vote at all regular and special meetings of the members of the Association for a period of one year following the date of such notice. During this one-year period, the Association shall give notice of all regular and special meetings to both the Owner and the mortgagee, and the Owner may attend such meetings as an observer. Notice from the mortgagee under this section shall quote this Section 13.7 and shall be sent postage prepaid by certified United States mail, return receipt requested, to the Owner with a copy sent by regular mail to the Association at the last-known address of each.

Article 14

Amendment And Repeal

14.1 **How Proposed.** Amendments to or repeal of this Declaration shall be proposed by either a majority of the Board of Directors or by Owners holding thirty percent (30%) or more of the Association's voting rights. The proposed amendment or repeal must be reduced to writing and shall be included in the notice of any meeting at which action is to be taken thereon or attached to any request for consent to the amendment or repeal.

14.2 **Approval Required.** This Declaration, or any provision thereof, as from time to time in effect with respect to all or any part of the Property, may be amended or repealed by the vote or written consent of Owners representing not less than seventy-five percent (75%) of the Lots, based upon one vote for each such Lot, together with the written consent of the Class B member, if such Class B membership has not been terminated as provided in this Declaration. In no event shall an amendment under this section create, limit or diminish special Declarant rights without Declarant's written consent, or change the boundaries of any Lot or any uses to which any Lot is restricted unless the Owners of the affected Lots unanimously consent to the amendment. Declarant may not amend this Declaration to increase the scope of special Declarant rights reserved in this Declaration after the sale of the first Lot unless Owners representing seventy-five percent (75%) of the total vote, other than Declarant, agree to the amendment. To the extent any amendment relates to the preservation or maintenance of the Common Areas or private utility lines, or the existence of an entity responsible for accomplishing the same, such amendment shall be approved by the zoning administrator of the City of Woodburn.

14.3 **Recordation.** Any such amendment or repeal shall become effective only upon recordation in the Deed Records of Marion County, Oregon of a certificate of the president and secretary of the Association setting forth in full the amendment, amendments or repeal so approved and certifying that such amendment, amendments or repeal have been approved in the manner required by this Declaration and ORS 94.590, and acknowledged in the manner provided for acknowledgment of deeds.

14.4 **Regulatory Amendments.** Notwithstanding the provisions of Section 14.2 above, until the Turnover Meeting has occurred, Declarant shall have the right to amend this Declaration or the Bylaws of the Association in order to comply with the requirements of any applicable statute, ordinance or regulation or of the Federal Housing Administration; the United States Department of Veterans Affairs; the Farmers Home Administration of the United States; the Federal National Mortgage Association; the Government National Mortgage Association; the Federal Home Mortgage Loan Corporation, any department, bureau, board, commission or agency of the United States or the State of Oregon; or any corporation wholly owned, directly or indirectly, by the United States or the State of Oregon that insures, guarantees or provides financing for a planned community or lots in a planned community. After the Turnover Meeting, any such amendment shall require the approval of a majority of the voting rights of the Association voting in person, by proxy or by ballot at a meeting or ballot meeting of the Association at which a quorum is represented.
